

CAPABILITY STATEMENT

SAFETY STAFFING • SAFETY CONSULTING • TRAINING PROTECT PEOPLE. CONTROL RISK. DELIVER RESULTS.

COMPANY OVERVIEW

Houston-based, owner-operated safety company providing contract safety staffing, field safety consulting and project safety training for construction and industrial projects nationwide. Clients contract with Fidelity for its owner to serve directly as Safety Manager, Site Safety Manager or Safety Consultant, or for qualified contract safety professionals.

CORE COMPETENCIES

Safety Staffing

- Safety Managers & Site Safety Managers
- Safety Coordinators & Specialists
- SSHOs (EM 385-1-1), when qualifications are met
- Short-term, supplemental & long-term coverage
- Night, weekend, shutdown & turnaround support

Consulting & Training

- Jobsite assessments & field safety audits
- Contractor safety oversight
- Site-specific safety plans & program reviews
- JHA/AHA, permit-to-work & documentation review
- Site orientations, toolbox talks & task training

DIFFERENTIATORS

Owner-operated

Clients work directly with a credentialed CHST, not a call center.

Field-proven

14+ years on industrial and construction sites; safety roles since 2018.

High-risk work

Confined space, hot work, LOTO, fall protection, crane-related and electrical construction work.

Nationwide & flexible

Travel-ready for short-duration, turnaround and project-length assignments.

PAST PERFORMANCE

PROJECT	SCOPE	DATES
Hyperscale data center, Ohio	Safety Manager · fire alarm & sprinkler installation oversight	2026–Present
